

WiFi Connected Features and Sophisticated Cooking Modes

Stay connected to both your kitchen and your guests with a variety of WiFi-enabled Café ranges that utilize the SmartHQ™ app for sophisticated cooking. By connecting your appliance to WiFi, you'll enjoy updates that expand your cooking options, so the experience will just keep getting better.

***Smart HQ App is only available in English.**

Feature is Factory Installed – No WiFi connection required.

Feature is downloaded to range with onetime WiFi connection - WiFi connection can be turned off after the feature is installed.

Feature available only while WiFi is continuously connected to Range - Accessible through the Range control panel and/or the SmartHQ App.

Feature may be Factory Installed depending on date of manufacture, otherwise will require WiFi download or WiFi continuous connection.
